Welcome to our second Fair Newsletter! The count down is on we are just over 5 weeks away until the big day. Plans are well underway to make the 2014 Fair a fun family day! Thank you for all your support so far.

**Positions Vacant**

Are you able to run one of the following stalls on Fair day or spare some time on Fair day?

**Photo booth** – We are after someone to co-ordinate the running of the photo booth on Fair day. An external company will set up the booth with all props on Fair day, but we will need a helper to dress up the LARC, ensure the day runs smoothly, including the collection of money.

**Gourmet Jars** – We are after a couple of people to run our gourmet jars stall. Donations have already started to be organised and the stall will be set up prior to Fair day by the fair committee. We need some help running the stall on the day.

**Scratch Art** – Would you like to run our scratch art stall? Children will be able to purchase scratch art drawings for $1, which can be taken home or completed on Fair day at the colouring tables provided in creative corner.

**1 and 2 hour Helping Hands** – We need your help on Fair day. Please spare an hour or two to help make our day a great success. Helpers will be assigned a stall to help out on.

*If you can help, please complete the slip over the page, email Kate on sjf.fair@gmail.com or send a sms to 0439 478 979.*

**What can you donate?**

- Plants, seedlings, herbs and plastic pots are all needed for the plant stall. Please contact Steve Breen on 0428 322 683 to organize collection/drop off.
- One of our Fair games, Pick-a-Sock, would love any clean odd adult or children socks or socks your children have grown out of. Please put socks aside and a collection will be made in term 4.
- **CLASS DONATIONS** Class donation and volunteer letters will be sent home first week back next term. Keep a look out. All donations will be appreciated.
- Children’s books are needed for our pre-loved book stall. We would love it if everyone could go through their collection and pass on any books that are no longer required.
- Donation of toys, home wares, clothing, games etc. in good condition, in working order, easy to move and with all their parts for our second hand stall. We will have collection days in term 4 for parents to drop items into the school. Our first collection day will be the first Friday in term 4, before and after school, at the P&F room next to the uniform shop. If you have any questions, contact Megan King on 0407 461 771.
