Exploring the Idea of **Student Leadership**

Ideas Shared about Student Leadership: the suggestion of a Captain/ Yr 6 Leaders model  
Two trains of thought are coming through providing good points to consider for both:

- Leadership roles provide something for students to aspire to
- It is a missed opportunity not having Year 6 leaders: Captains/ House Captains
- How do we promote all children to be leaders? It tends to be the academic or more vocal students who are picked. At SJF it was a draw card that all students are taught to be leaders.
- There will be leadership programs explored to ensure that students selected are the most suitable and are comfortable with positions.
- Tash: at her daughter's school there were other groups that work alongside the captains eg, playground buddies, IT, wellbeing etc
- We want students to take responsibility for the school.
- Rebecca: The shared model has been celebrated as shared responsibility.
- Representatives from each year: representative from each grade to have a voice

- Review School Advisory

- What to do from here:

**SJF Advisory- Purpose**

- Looked at St. John The Apostle Primary School: creating a statement of purpose that would guide us.
- Looking at the communication process and what we want to make happen.
- What do we need to consider? Goals, Roles, Hierarchy, Minutes, Communication, Membership options (3 year cycle allows to see things through and then refreshes)

**Plan of Action:**

- Members to consider Purpose of the Advisory Group and Hierarchy
- Gary will share the HBT Model to Leadership team, to further define and articulate Advisory Structure, Purpose and Intent.
- FLO to distribute power-point presentation to members and upload minutes to SJF School Website and set next meeting time and Agenda.

**Next meeting:**
