

My New School

I am starting big school!

Next year, I am going to primary school. My new school is called St John Fisher Catholic Primary School in Tumby Umbi.

There will be lots of friendly children at my school.

**My class will be
Kindergarten Green
or Kindergarten
Yellow.**

**I will make lots of
new friends at
school and my
teacher will be very
kind and helpful.**

**I might put a tag
or toy on my
school bag to
help me find my
bag easily.**

**In my bag I
will pack my
fruit break,
drink bottle,
recess, lunch
and hat.**

**Sometimes we will sit
on the floor to learn
with our teacher.
Sometimes we will sit
at a desk to do our
work.
If I want to say
something in class, I
will put my hand up.**

At St. John Fisher our motto is Growing in Faith and Knowledge.

We always try to live by three key values.

Respect

Responsibility

Reconciliation

**At school, I will
learn lots of new
things.**

**I will learn to
read and write, to
count and
explore numbers.**

**I will also
learn to
draw and
paint and
to play
games
with my
friends.**

**We will also
spend some
time each day
learning about
God.
We will also
learn our
school prayer.**

St John Fisher School Prayer

Jesus, teacher,

**As we walk along the path of life, help us to grow in Your
image.**

**Give us the strength to carry any burdens that may cross our
path, just as You were given Your cross to bear.**

**And, as a tree represents strength, shelter and life, let us be
strong in our faith, find shelter in it when times are
hard and rejoice in it when life is good.**

**Help us to learn Your ways Lord, and with this growing
knowledge become more like You.**

AMEN

**I will have a Year 6 Buddy.
My Buddy can helps me
out around the school.**

**Sometimes, we have
recess and lunch together
and sometimes they might
come into our classroom
to help us with our
learning.**

**They will help me make
new friends with my own
classmates.**

**Sometimes, I will have
special lessons with
other teachers.**

**I will have a lesson in the
library each week. If I
bring a Library bag, I can
borrow a book to take
home for the week.**

Some days during the week, I will wear my sport uniform and go out to do sport.

I will also go to a special music lesson once a week. This is lots of fun!

When I get to school in the mornings, I will say goodbye to Mum or Dad at the gate and walk into school to start my day.

I will put my bag on my class line and then I can play with the other children.

A bell will ring when it is time for school to start. I will stop playing and line up with my teacher.

**A bell will also ring at the
beginning and the end of
recess and lunch.**

**I will sit with my friends
and eat my own food.
We do not share our food
at school.**

**When I am outside, I will
wear my hat to protect me
from the sun.**

**At the end of the day,
the bell will ring to tell
me it is time to go
home.**

**In the afternoon my teacher will take
me to the Cola where I will wait for a
family member to collect me.**

I may need to catch a bus and if I do, the teacher will tell me what to do.

or

**I may attend OHSC.
One of the OHSC workers will collect me and take me to the OHSC room for afternoon tea.**

CatholicCare
Diocese of Broken Bay
OHSC

**This is our
Principal Mr
Arendse, our
Assistant Principal
Mr Lynch and our
Religious
Education
Coordinator Mrs
Lawicki.**

**This is Mrs
Newson, Mrs
McGill, and Mrs
Bradshaw.
They work in the
office and they
are also here to
help me and they
look after sick
bay.**

**School is going to
be great fun!**

**I will meet many
new friends and
learn new things.**

**I can't wait to go
to school!**
