

Expressions Of Interest

Our grandparents play a big role in the lives of our families at St John Fisher. Some care for their grandchildren full time, some help out with drop off and pick up, whilst others just come along to our community events.

Until now there has been few opportunities for Grandparents who may be in similar situations to meet one another.

We would like to offer some opportunities for you to do so in the future. If you wouldn't mind filling in the following survey, we can cater these events to your needs. You also might like to connect to our new Facebook group
